CHAIRMAN MESSAGE

Emeritus Prof. Dato' Abang
Abdullah Abang Ali
Chairman and Trustee of MyREF

Assalamualaikum Warahmatullahi Wabarakatuh.

Alhamdulillah, the greatest of gratitude to Allah S.W.T; with his grace and guidance, the Annual Report of the Malaysian Research and Education Foundation (MyREF) for the year 2020 is successfully published. This annual report summarizes the activities and programmes undertaken by MyREF throughout 2020. Despite the raging pandemic and economic uncertainty, MyREF has managed to fulfill its transformed vision and mission, in promoting research and education as a driver for a sustainable nation.

The transformation of MyREF in 2020 was timely and significant with the new normal that Malaysia and the world at large are currently going through. The change of MyREF's name and functions, as approved by the Legal Affairs Division of the Prime Minister's Department, enables MyREF to focus on strategic research and educational development, in science, technology, engineering, social and Islamic development, and economy. Following the transformation, MyREF has been engaged in many research work, activities and programs with its stakeholders, to embrace and provide solutions for the current state of affairs of the local community at large. The support given by MyREF's stakeholders and target groups was encouraging and beyond expectation, and the commitments shown proves that we can work together to face the current challenges and, in the process creating a better future for the next generation.

The pandemic teaches us to become resilient and supportive towards each other. Hence, I would like to take this opportunity to express my heartiest thanks and appreciation to all MyREF stakeholders and collaborators, namely Yayasan Ihtimam Malaysia, Jabatan Kemajuan Islam Malaysia (JAKIM), ETIQA Takaful Berhad, Majlis Agama Islam Wilayah Persekutuan, Majlis Agama Islam Perlis, Agensi Anti Dadah Kebangsaan (AADK), Pelangi Publishing Group Berhad, Hijrah Community NGOs and all individuals and organizations who supported MyREF's activities in the year 2020, and hopefully beyond, inshaAllah. My wish is that in 2021, MyREF shall be able to continue achieving its vision and mission, especially in the field of research and education, and to be able to contribute to the success of the country, the ummah and Islam.

Emeritus Professor Dato' Abang Abdullah Abang Ali

Chairman and Trustee, Malaysian Research and Education Foundation

ABOUT MyREF

Malaysian Research And
Education Foundation

Background

Malaysian Research and Education Foundation (MyREF) is registered under the Trustees (Incorporation) Act 1952 (Act 258) and governed by the Legal Affairs Division, Prime Minister's Department. MyREF has been operating since 2016 and is involved in infrastructure, education and construction projects at home and abroad, including under war countries such as Gaza and Yemen.

In 2020, MyREF has expanded its scope and function to strategic research and educational development involving science, technology, engineering, social, human capital and economy, with a mission to promote research and education as means to develop a sustainable community and nation. To realize this function, MyREF has conducted many activities such as training program, social engagement, webinar on professional and education development and community outreach. Majority of this program and activities were conducted virtually due to COVID-19 pandemic. Even though all these programs were held through online platform, all of the programs were successfully completed, achieving its objectives and resonates well with MyREF vision and mission.

MyREF Vision

To be the leading local and global foundation for Research and Education

Mission

To utilize Research and Education as means to develop sustainable nation and community

Objective

- To develop local and international research, study and education program in line with the UN Sustainable Development Goals.
- To promote human capital development through research and education.
- To increase access to technical and vocational education locally and globally.

MyREF Certificate of Incorporation
